Subject: Reject Bells' Monopoly Bid

Message from Robert Mason

725 Grovest
Apt 3
S.F., CA

Dear FCC Commissioner: Elimination of
competitive access to wholesale phone
networks
will kill local competition and leave
consumers with the worst of both worlds,
an unregulated monopoly. Please reject
the Bell's self serving proposals to
eliminate
the UNE-Ps, which would pave the way for
a bigger, meaner phone monopoly
unrestrained by regulatory oversight

Sincerely,
